

Katrin Sanitizing Foamwash 1 000 ml

Product number: 33430

Family: Sanitising soap (Biocide)

Number of portions: 2 500 portions

Scent/Fragrance: not scented

Highly efficient and quick-acting sanitising foam soap which cleans the skin from light dirt and disinfects in one step. With a humectant to re-condition the skin from washed-away fat. Can effectively interrupt the transmission of viruses and bacteria from hands to food during food preparation.

How to use:

For hygienic hand washing according to EN 1499:

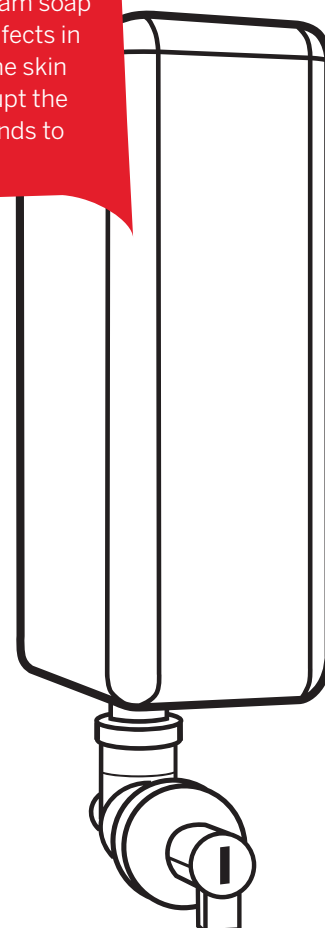

Use at least 3 ml.

Wash your hands for min. 30 sec. including your fingertips, nails and thumbs.

Dry your hands with a paper towel.

Where to use:

Antimicrobial Hand Washing in washrooms, e.g. offices, kitchen, work places, schools, kindergartens. Suitable for food processing companies. Conforms with the European standard EN 1499.

Product features

Your advantage

Spectrum of activity —————> Bactericidal (inclusive MRSA), Levurocidal (C. albicans), Virucidal (Rotavirus)

Efficacy and test methods	EN Standards		30 sec
Application recommendation for hygienic hand wash*	EN 1499		•
Bactericidal	EN 13727	Dirty conditions	•
Virucidal (Incl. HBV/HIV/HCV, Rotavirus)	EN 14476	Dirty conditions	•
Levurocidal (C. albicans)	EN 13624	Dirty conditions	•
