

Odour Neutraliser

BioHygiene Odour Neutraliser utilises absorbent technology for fast removal of unpleasant odours, effectively refreshing and revitalising stale or foul-smelling surfaces and airways.

Cleaner

- Freshens, deodorises and effectively removes all odours
- Light, delicate, long-lasting fragrance
- Odour absorber permanently binds and makes odours undetectable, rather than simply masking
- Biological activity to break down organic odours at source and remove stains
- Immediate and long-lasting action
- Safe on all colourfast, washable fabrics/furnishings

Leaner

- Multi-pronged approach to odour control
- Accurate dosing reduces product consumption and waste
- Continues to work overtime
- Does the job of multiple products
- Protects the life of soft furnishing assets

Greener

- Sustainable plant-based actives deliver excellent cleaning performance whilst reducing CO2e
- Not tested on animals
- PCR packaging
- 100% Biodegradable
