

Oven & Grill Cleaner

A powerful, low risk, non-volatile, environmentally friendly cleaner to effectively remove greasy deposits and burnt on residues from ovens and grills.

Cleaner

- Easily removes greasy residues and burnt on deposits
- Low odour and volatility

Leaner

- Replaces traditional volatile and hazardous aliphatic and aromatic hydrocarbon solvents
- Can be used safely in confined and enclosed areas
- Reduces scrubbing and labour costs

Greener

- Reduced carbon footprint
- 100% PCR – no single use plastic
- Renewable Plant-by-product technology
- Not tested on animals
- 100% Biodegradable

CO₂e Assessed

Oven & Grill Cleaner

Use Instructions

Test on a small non-critical area first. Allow a minimum contact time of at least 60 seconds and agitate the surface with a hard brush, scourer or cloth. Wipe surface clean with a damp cloth. Avoid contact with painted surfaces.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.
